

We see an obligation too important to ignore ...

Volunteers in Service to the Elderly needs your help! Our cupboards are bare, and many seniors living right here in our very own community depend on our services to keep them safely and independently in their own homes.

That's why VISTE will be collecting canned goods and non-perishables at The Lakeland Christmas Parade on December 4th, 2008.

Drop your items in any of the VISTE carts located throughout the parade route between 4:30 and 7PM on December 4th. Or, items can be dropped off between 8AM and 4PM, M-F at 1232 E. Magnolia St. in Lakeland.

For more information on how you can help, or to volunteer, contact us at 863.284.0828 or visit us on the web at viste.org
